ABOUT ME

Software Developer with 1+ year of professional experience building enterprise web applications using Java, Node.js, Express.js, MongoDB, SQL, and REST APIs. Experienced in backend development, workflow automation, Agile software development, debugging, and scalable application design. Passionate about developing maintainable, high-performance software solutions and continuously improving system efficiency.

WORK EXPERIENCE

Tata Consultancy Services | Feb 2025 - present

Programmer

- Developed and enhanced enterprise internal applications to automate business workflows and improve operational efficiency.
- Implemented backend features, bug fixes, and process improvements while ensuring application stability and maintainability.
- Collaborated with cross-functional Agile teams to analyze requirements, debug issues, and deliver reliable software solutions.

Cognifyz Technologies | Jan 2024 - Feb 2024

Web Development Intern

- Built responsive web pages and worked on API integrations, improving internal processes.

PROJECTS

Cake n' Shapes - E-commerce Freelance Project [Visit ↗](#)

- Built a full-stack e-commerce application featuring secure authentication, REST APIs, shopping cart, and admin dashboard. Designed MongoDB database schemas, implemented role-based authorization and a responsive user interface, and deployed a scalable, production-ready backend architecture.

FoodieFiesta - Your Ultimate Food Community [Visit ↗](#)

- Developed a MERN-stack food platform with recipe sharing, nutrition tracking, community engagement and an admin dashboard. Built scalable REST APIs, implemented CRUD operations, and designed a responsive application.

MEOWMAZING - A Paradise for Cat Lovers [Visit ↗](#)

- Designed and developed a cat community platform with forums, educational content, and e-commerce features using Node.js, Express.js, MongoDB, HTML, CSS, and JavaScript.

SKILLS

Technologies

Languages: Java, JavaScript

Frontend: React.js, Next.js, HTML5, CSS3

Backend: Node.js, Express.js

Database: MongoDB, SQL

Tools & Tech: Git & GitHub, Linux basics, VS Code, Microsoft Power BI

Personal

Analytical Thinking

Adaptability & Quick Learning

Team Collaboration

EDUCATION

Utkal University

2021-2026

Integrated MCA

Percentage: 89%

Basic Science & Humanities HSS
